Reading materials

ABBREVIATIONS

PRM	PRE-READ MATERIALS: These materials have to be read in advance to follow the respective lecture
LM	LECTURE MATERIALS: You have to have these materials at hand (digitally or as hardcopies). Also, it helps to scan them, without reading them profoundly.
no specification	FURTHER MATERIALS: These materials are for students who want to dig deeper into the respective topic. Their reading is not required.

We would recommend downloading all materials on your I-Pads or other electronic devices. Of course you can also print them and take them with you to the lecture. Please note that course material will – apart from exceptional cases - not be printed by the Executive M.B.L.-HSG.
